**Live Life in 3D**

Habitat for Humanity Peninsula and Greater Williamsburg

**3D PRINTED HOUSE PROJECT**

**WHAT:** Habitat for Humanity Peninsula and Greater Williamsburg will build the FIRST Habitat 3D printed house on the East Coast and only the second in the country! The walls of this house will be printed using specially-formulated concrete, while the inside of the home will resemble a traditional Habitat home.

**WHEN:** July 2021

**WHERE:** Williamsburg

**HOW YOU CAN HELP:** Your generous in-kind support of goods and services AND/OR a monetary donation will help make this historic project possible!
